

TE/Waldom Master Distributor Program

EVERY CONNECTION COUNTS

WALDOM ELECTRONICS

your supply chain advantage®

TE Connectivity is working together with Waldom Electronics as a Business Partner to support and expand our Distribution network, in order to provide value to both TE and our Distributor Network.

- Waldom is a Master Distributor, with over 50 years of experience, selling *exclusively* to Distributors and Resellers, *never* to OEMs or end-users.
- Waldom's inventory portfolio has over 40,000 TE part numbers, including a large selection of application tooling products and hard to find items.
- Waldom's value is in its stock of Low Volume, High Mix, "C" & "D" items; offering low minimum order quantities repackaged into smaller pack sizes.
- One-piece minimum order quantity on majority of part numbers.
- Waldom is ISO 9001:2008 certified and members of the Electronic Components Industry Association (ECIA), the National Association of Electrical Distributors (NAED) in North America, and the China Electronics Distributor Alliance (CEDA) in China.
- Waldom offers same-day shipments worldwide with regional sales offices and distribution facilities located throughout North America (US), Europe (EMEA), and Asia (APAC):
 - **US:** email: sales@waldom.com, e-commerce: www.waldom.com
 - **EMEA:** email: sales@waldomemea.com, e-commerce: www.waldomemea.com
 - **APAC:** email: sales@waldomapac.com, e-commerce: www.waldomapac.com
